34.1(2) A person shall not be civilly liable as a result of filing a complaint with the board, or for disclosure to the board or its agents or employees, whether or not pursuant to a subpoena of records, documents, testimony or other forms of information which constitute privileged matter concerning a recipient of health care services or some other person, in connection with the duties of the board. However, such immunity from civil liability shall not apply if such act is done with malice.
